DR. HUNT2S CELEBRATED PILLS.

CONSUMPTION, DISPEPSIA, AND LI-VER COMPLAINT, &c.

As the enjoyment of health depends on preserving the functions of the Stomach, Liver, Intestines and Lange, in a healthy and vigorous
state, through the operations of which the body
receives its growth, its munition, its support, it
can no longer be automishing that when these viscers are deranged, and cannot perform their proper functions, the whole system authors and becomes disastered. Knowing this to be a sound
and demonstrated fact, in science and experionce, Docson Hunr's System or Practice is in
anithful accordance with it. He aims to keen anithful accordance with it. He aims to keep the Stomach, Longs and the Liver, in vigerous and healthy action, as the three great fountains of health and life. For this purpose his pills are compounded of herbs, which strongthen and equalize the action of the heart, and give an imbulue or strength to the arterial system, at the

THE OHIO STATESMAN. SESSION PAPER.

According to custom, we again preent to the people of Ohio our prospectue for a paper during the session of the Legislature. Many persons who do not find it convenient to subscribe for a paper printed at this place for a whole year, do so during the sitting of the Legislature, being desirons of seeing what is done by those in whose keeping they have entrusted the affairs of the State. To accommodate this just desire in the people to be thoroughly acquainted with every thing pertaining to their happi-ness and welfare, we have in this prespectus extended facilities and favors beyond what has been customary. We shall issue during the session a weakly paper (free of advertisements,)at fifty cents-a semi-weekly at one dollar-a tri-weekly at two dollars, and a daily at three dollars. By this arrangement miss in availing themselves of these means of information. It is all important that every freeman should be fully islature. acquainted with every question touch-
